Foreword

The English Communicative Curriculum was implemented in Class - IX in the academic session 1993- 94. The books were revised in 1995, 1997 and 2003 as a result of the feedback received from students, teachers and ELT professionals.

The Board received feedback from teachers teaching in various school systems i.e., independent schools, Kendriya Vidyalaya Sangathan and Navodaya Vidyalaya Samiti in large numbers which suggested that a change was already overdue. Accordingly, the book was revised in 2009.

The book has been designed to develop the student's communicative competence in English. The extracts selected have been taken with the purpose of making students think on their own and inculcating in them the life skills necessary for facing the challenges of the present as well as the future.

Teachers may adopt appropriate pedagogical practices to enhance the creativity of students. It must also be noted that language is not just a functional tool; it is rather a medium through which students interact with the world around them. Therefore, students should be encouraged to think on their own and express their ideas using their experiences, knowledge and imagination, rather than being text or teacher-dependent.

The effort of the material developers and editorial board for all editions is acknowledged. Feedback/suggestions for further improvement are welcome.
