- (iii)** When everyone is likely to have a cat for a pet, only then will the rebel have a dog for a pet.
- (iv)** It is good to have rebels because very few people have the strength to stand against the majority. They think differently and stand fearlessly for their choices which can be beneficial.
- (v)** It is not good for oneself to be a rebel because you have to stand alone all the time. It makes you unpopular among the people and you will have no friends.
- (vi)** No, I would not like to be a rebel because I don't have the guts to oppose the majority and moreover I don't want to hurt the feelings of the people close to me. I don't want to be a source of bitterness among the people.
